ORDER CONTINUING HEARING ON
MOTION FOR ENTRY OF JUDGMENT

[Re Docket No. 24]

Plaintiffs' motion for entry of default judgment, presently calendared for September 25, 2009, is hereby continued to November 6, 2009 at 9:00 a.m. In reviewing plaintiffs' papers in preparation for the hearing, the court has observed that a proper evidentiary foundation for plaintiffs' exhibits has not been made. Specifically, many of the exhibits submitted by plaintiffs do not correspond to the descriptions of those exhibits in the accompanying declaration of counsel. It is also questionable whether counsel has the required personal knowledge to authenticate the time cards submitted as

1 evidence; the basis of such personal knowledge is not recited in the declaration. Without proper
2 foundation, the exhibits are not admissible to prove up plaintiffs' damages.

3 Plaintiffs may file and serve further declarations, or amended declarations and accompanying
4 exhibits, no later than October 23, 2009.
